Director General's Message

It is an honour to share the outstanding achievements and transformative initiatives of the Employees' State Insurance Corporation (ESIC), the largest social security organization in India. For several decades, we have been diligently providing comprehensive social security benefits to eligible workers & their dependents, with the primary objective to provide better healthcare and social security under the ESI Scheme.

This month has witnessed the inauguration / launch of significant facilities that underscore our dedication to enhancing medical services. During the 191st meeting of the ESI Corporation, Shri Bhupender Yadav, Union Minister for Labour & Employment launched Chemotherapy Services in 30 ESIC Hospitals across the country. With the start of in-house chemotherapy services, insured workers and their dependents will be able to get better cancer treatment at ease.

During the ESI Corporation meeting, the Union Minister also inaugurated a Control Room with various dashboards of ESIC. This will ensure better monitoring of resources and availability of beds at ESIC hospitals, current status of ongoing construction projects, etc.

It was also decided in the meeting that new ESIC medical colleges and hospitals will be established, to ensure the availability of skilled medical professionals in ESIC hospitals. Currently ESIC is running 8 medical colleges, 2 dental colleges, 2 nursing colleges and one para-medical college. In principle approval to set up 15 new ESI hospitals, 78 ESI dispensaries and increase in bed strength at ESIC hospital, Beltola; ESIC medical college & hospital, K. K. Nagar, Chennai and ESIC medical college & hospital, Faridabad was also granted during the meeting.

Upgraded OPD services, constructed at a cost of Rs. 260 crore at the ESIC hospital, Andheri have been inaugurated. The OPD services will facilitate General Medicine, ENT, Dental, Heart Disease, Neurology, Paediatrics, Dispensary, etc. services to the 25 Lakh people in the nearby areas.

New registrations under the ESI Scheme surged with 20.27 Lakh new workers in approximately 24,298 new establishments, providing an indispensable safety net for employees across age groups, including 71 transgender individuals. The impact of our efforts is visible in the ever-growing number of workers joining the ESI Scheme.

We take immense pride in our dedication and capabilities in delivering social protection benefits to the stakeholders. Moving forward, innovation, excellence and inclusivity will remain our guiding principles as we contribute to building a more resilient and prosperous country for all.

Dr. Rajendra Kumar, I.A.S.
Director General, ESIC

191ST MEETING OF THE ESI COPORATION

Shri Bhupender Yadav, Union Minister for Labour & Employment and Environment, Forest and Climate Change Chaired the 191st Meeting of the ESI Corporation held at ESIC Headquarters in New Delhi on 31st August, 2023.

He launched Chemotherapy Services in 30 ESIC Hospitals across the country. He said that the launch is a step in the direction of realising Pime Minister Shri Narendra Modiji's vision of all-round

welfare of our Shram Yogis in India's Amrit Kaal. With the start of in-house Chemotherapy Services, insured workers and their dependents will be able to get better cancer treatment at ease.

AADHAAR IMPLEMENTATION IN ESIC

Overview of Aadhaar Seeding

The demographic details are being captured for new Employee/Pensioner through e-KYC process of UIDAI and for the existing ESIC Employee & ESIC Pensioner the demographic details are being validated through e-KYC process. The Aadhaar/ VID number is authenticated through OTP/ Biometric authentication (using Fingerprint or Iris).

Purpose of Aadhaar Seeding

The purpose of seeding the Aadhaar/ VID and display the Aadhaar Status in ESIC Panchdeep Application & the benefits of implementation of Aadhaar using e-KYC and Aadhaar/ VID authentication through OTP/ Biometric are mentioned as below-

- To prevent the fraudulent activities in financial transactions.
- Aadhaar Status can be used to merge the contribution of duplicate Insured person.

- Aadhaar Status can be used to perform the de-duplication process and prevent the duplicate IP number generation.
- Aadhaar Status can be used to perform the e-KYC; post e-KYC system will have the UIDAI verified demographic details of the beneficiaries.
- Aadhaar Status can be used to authenticate the beneficiaries at the time of service delivery.

Benefits of Aadhaar Seeding

Seed Aadhaar Number with ESIC and reap Benefits like:

- Go digital
- Generate ABHA
- Share Health records with different Hospitals digitally
- No need to carry physical files and reports
- Easy validation of identity for availing services and benefits

PROVISIONAL PAYROLL DATA FOR THE MONTH OF JUNE 2023

The provisional payroll data of Employees' State Insurance Corporation (ESIC) reveals that 20.27 lakh new employees have been added in the month of June 2023.

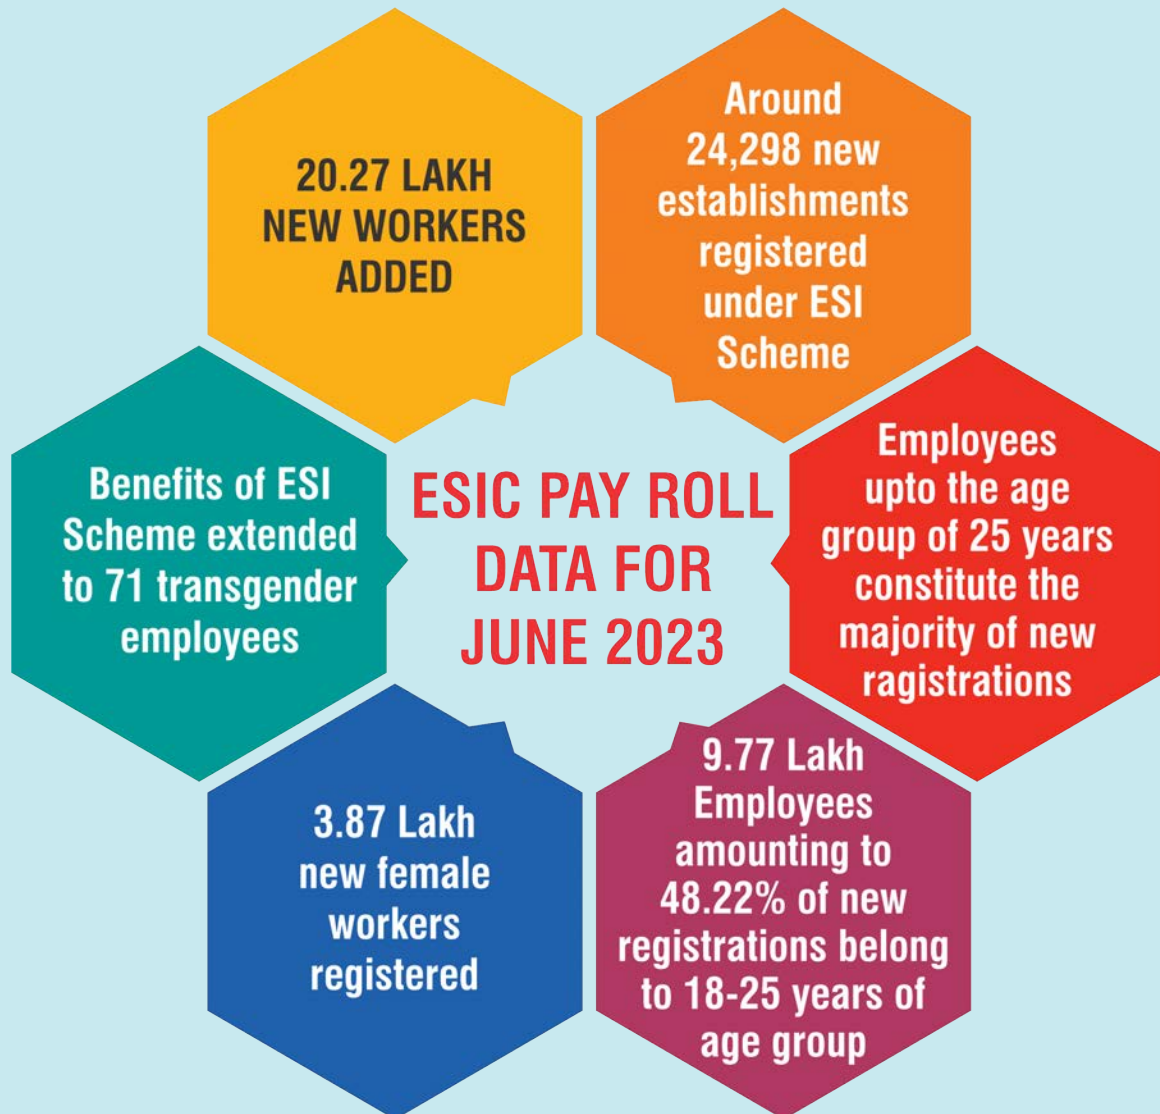

Around 24,298 new establishments have been registered and brought under the social security umbrella of the Employees' State Insurance Corporation in the month of June, 2023, thus ensuring more coverage.

Data evidently reveals that more jobs have been generated for the youth of the nation as out of the total 20.27 lakh employees added during the month of June 2023, 9.77 lakh employees up to the

age group of 25 years constitute the majority of new registrations which is 48.22% of the total employees.

Gender-wise analysis of payroll data indicates that net enrolment of female members has been 3.87 lakh in June, 2023. The data shows that a total 71 transgender employees have also got registered under ESI Scheme in the month of June, 2023. It shows that ESIC is committed to deliver its benefits to every section of the society.

The payroll data is provisional since the data generation is a continuous exercise.

DISASTER MANAGEMENT MOCK DRILL CONDUCTED

A disaster management mock drill was conducted at ESIC Hospital Rohini, Delhi. The hospital's Disaster Management Committee activated two Quick Response Teams under Code Red for external disasters.

Dr. Rachita Biswas, the Medical Superintendent, emphasized the drill's importance and conducted checks on emergency drugs, resuscitation equipment and staff preparedness.
